

# Helping you see your whole world clearly

## About Dr. Leonard

Dr. Elise Leonard was born and raised in Brooklyn, New York. She graduated from New York University and NYU School of Medicine. She completed an internship in Internal Medicine and a residency in ophthalmology at Long Island Jewish – Hillside Medical Center, where she was chief resident in ophthalmology. She has been in practice in South Florida since 1982.

She is married to Dr. Arnold Semel, an optometrist in practice in Pembroke Pines, Florida. They have two daughters, Arin and Jessica, both physicians.

Dr. Leonard is very active in the community and is the founder and past president of Women Physicians of South Florida. She has served on the board of directors of Women in Distress and Temple Beth Torah.

## Testimonials

"Only on rare occasions do I get the opportunity to comment on truly notable and exceptional services that I have received. Such is the case with the recent removal of my cataracts performed by Dr. Elise Leonard. I experienced state-of-the-art professionalism, expert advice and attention to detail, beginning with my first consultation and continuing through the excellent vision I now enjoy without the use of glasses. Dr. Leonard's office and procedural staff are dedicated, skilled and sensitive to the needs and emotions of their patients. I truly hope that those who are contemplating any vision procedures and/or treatment read this and rest assured that they are in the hands of the best."

Mike A.
