
About Dr. Leonard

Dr. Elise Leonard was born and raised in Brooklyn, New York. She graduated from New York University and NYU School of Medicine. She completed an internship in Internal Medicine and a residency in ophthalmology at Long Island Jewish – Hillside Medical Center, where she was chief resident in ophthalmology. She has been in practice in South Florida since 1982.

She is married to Dr. Arnold Semel, an optometrist in practice in Pembroke Pines, Florida. They have two daughters, Arin and Jessica, both physicians.

Testimonials

"I was wearing progressive lenses in my glasses for 5 years, but I found myself cleaning them more than wearing them. After visiting my doctor, I found out everything looked so foggy because I had cataracts. That is when I visited Dr. Leonard and she reassured me that it would be simple and pain-free to restore my vision.
Thanks to Dr. Leonard and her professional staff I have "multiple-focus" lenses implanted in my eyes. The day after my surgery I could see better than I had in years! And the best part is NO MORE GLASSES !
Thank you Dr. Leonard for taking such good care of my eyes!"
