TESTIMONIALS

J GARDNER

Joel and the AB Remodeling Team are first class in quality, responsiveness and follow up support. I have used them for three projects over the years, two large and one small. Regardless of the project size, their approach is always customer centric with a focus on creating long term customers for life. They do what they say they will do at the agreed price.

BRAD KENNERLY

I have worked with Joel on many different projects from hardwood flooring installs, granite kitchen countertops to painting. He was in budget, on time and always cleaned up after the job. I would recommend him him for toe next project. He is a guy you can trust to get it done.

MARINA WOLF

Joel and his team did an incredible job on the gut remodel of our master bath. From demo to tile in floor and shower, wall rebuilds and texture/paint, custom cabinets, plumbing and electric, quality counter tops, zero threshold shower and all the details associated with such a project, he was there and on top of the job. Once finished he coordinated new carpet in our master bedroom which was done flawlessly. The project was completed on time and on budget, and because he has chosen his tradespeople with care, they are all highly skilled and trustworthy. We will hire him again with no reservations.
